

Looking for a “Scooper” end of year field trip? Become a 2010 Scooper School!

➤ What is the Jimmy Fund Scooper Schools Program?

Now in its sixth year, the Jimmy Fund Scooper Schools Program provides students in New England the opportunity to earn free admission to the Jimmy Fund Scooper Bowl® by planning and participating in fundraising projects for the Jimmy Fund throughout the year. By doing so, students are able to tap into their creativity, build self-confidence, and most importantly, learn the importance of philanthropy by fundraising in their school.

➤ How can my school or classroom get involved?

It's easy to get involved! The Jimmy Fund will provide you with some creative ideas on fun ways to fundraise with your class or school. In addition, the higher your school's fundraising total, the more tickets you will earn.

➤ What will Scooper School participants receive?

- List of creative fundraising event ideas
- Scooper Bowl posters and Jimmy Fund banners
- Special thank you mention at the event
- School name listed on the Scooper Schools fundraising cone
- School name listed on the Scooper Bowl Web site

Qualifying Scooper Schools will receive FREE ADMISSION* to the Jimmy Fund Scooper Bowl® in June 2010 based on fundraising totals!

Schools and classes that fundraise:

\$1,000 or more – Free admission for 125 students/teachers

\$500 or more – Free admission for 75 students/teachers

\$250 or more – Free admission for 25 students/teachers
